Scholarship Requirements- The recipient must either be a High School Senior or already attending college. The scholarship is for the amount of **\$600** and will be mailed directly to the college. All applicants must have either been a 4-H or FFA member for at least one year or have displayed activity in the agricultural industry. They must also be a resident of Washington County **OR** be attending or have attended a Washington County Public School. The recipient does not have to be studying agriculture as a major just involved in the industry. The applicant must be pursuing an associates or bachelor's degree or a certain trade.

Please Include- A high school or college transcript along with a page describing you, your involvement and accomplishments in agriculture, your future plans and how you intend to help rural communities whether through education, medical, business, agriculture etc. The paper can be in essay or question and answer format.

Please mail this form along with your transcript by **April 21st** and a page describing you to:

Mindy McCroskey
Abingdon High School
705 Thompson Drive
Abingdon, VA 24210

The recipient will be determined by their involvement in the community, their devotion towards agriculture, and their effort in the classroom. The scholarship could potentially be referred to another county for judging. **Note:** This scholarship is different from others offered by Washington County Farm Bureau or Virginia Farm Bureau and they may also be applied for separately.

If there are any questions please contact Mindy McCroskey, mmccroskey@wcs.k12.va.us, or 276-739-3245.
