Combination Resume

A combination resume lists your skills and experience first. Your 4-H history is listed next. With this type of resume you can highlight the skills you have that are relevant to the 4-H scholarship you are applying for, and also provide the chronological work history employers prefer.

I. Header: Name, address, email address, phone number

II. Summary Statement: This is a short statement that describes your purpose for applying. Write only one statement per resume and include a couple of reasons why you should be considered for the opportunity.

III. Summary of Qualifications: Statement that describes your expertise, leadership abilities, and skill set. The summary should give the employer an idea of who you are, except it allows you to focus more on your experience than on your goals. You can briefly mention your 4-H career highlights, including past roles and your strongest skills.

IV. Accomplishments: Begin with your most recent major 4-H accomplishment and continue backward to report your successes in 4-H, school, work and / or volunteer service.

V. Experience: In bulleted format outline your 4-H experiences, starting with the most recent and significant.

VI. Education: Start with your highest degree, avoid using dates. Include academic honors. Leave out high school information if you have college education. Include anticipated graduation date.

VII. 4-H Community Service, Citizenship & Leadership Experience: In this section, provide information about 4-H related activities in the areas of community service, citizenship and leadership.
