

EAST TENNESSEE Engineering Associations Council

P.O. Box 3916, Kingsport, TN 37664

## **INSTRUCTIONS TO ETEAC SCHOLARSHIP APPLICANTS**

**Who is eligible?** Applicants should be high school seniors interested in pursuing a career in any field of engineering. Persons returning from military service are also eligible.

**What forms are required?** The ETEAC Engineering Scholarship Program Application Form must be used. The applicant must neatly complete the form. Have your guidance counselor review and sign the form, then send it to the ETEAC contact below. REMEMBER: The essay on why you are interested in engineering is necessary to make the application complete.

**When should the completed application be submitted?** The completed forms must be sent to [eteacscholarship@gmail.com](mailto:eteacscholarship@gmail.com) by 11:59 PM on April 13, 2018.

**What happens after the application is submitted?** After initial screening, applicants may be interviewed by the scholarship panel prior to final selections.

**When will the results be known?** ETEAC scholarship recipients will be announced in late April 2018. Recipients will be contacted by mail and/or phone to notify them of their selection.

**Do you have questions?** Your guidance counselor may be able to advise you in filling out the application form. If other questions arise, please contact the ETEAC member listed below.
